

***Janet's Tour in Alberta, Canada***  
***Calgary Banff Lake Louise Jasper National Park***  
***September 16—23, 2015***

The tour features one of Canada's three prairie provinces, Alberta - a land-locked region that borders on British Columbia to the west, Saskatchewan to the east, The Northwest Territories to the north, and the U.S. state of Montana to the south. Long an agricultural powerhouse, today the economic emphasis in the region centers around the oil and gas production.

Our program includes a look at Alberta's agricultural production in the Calgary-Edmonton Corridor, an area stretches 240 miles between the two cities. Calgary is Alberta's largest city and fifth largest city in Canada.
